Tournament Rules & Regulations:

The 2010 Official High School Softball Rule Book will govern the 2010 OCHS Softball Tournament with the exception of the areas listed below. This is a CIF sanctioned tournament.

- The home team will be determined by a coin flip prior to the start of the game. The home team will keep the official book for the game.
- Each team must provide one new ball per game.
- Time Limit- Each game is scheduled for 1 hour and 30 minutes or 7 innings, whichever comes first. No new inning may start after the time limit. In the event of a tie, we will use the International Tiebreaker system. The last player to complete an official at bat from the previous inning will start at second base, and you proceed with your line-up.
- The time limit will not be in effect for the Championship and 3rd place game.
- No protests and/or appeals will be considered, umpire rulings are final.
- An 8 run rule will be utilized after 5 innings. If your team is behind by 8 runs or more after 5 innings, the game will be stopped.

Three Way Tie Break

- 1. Head to head competition
2. Tabulate runs allowed by each team in the tie using only the games of those involved in the tie. The team with the largest number of runs allowed will be dropped to the lowest position. The tie between the two remaining teams will be broken by the result of their head to head meeting.
3. Tabulate runs scored by each team in the tie. The team with the least number of runs scored will be dropped to the lowest position. The tie between the two remaining teams will be broken by the result of their head to head meeting.
4. Coin Flip

\*Forfeit Policy- If a team fails to play a scheduled game (for any reason), the team/school shall pay a forfeit fee of \$100.00 to the tournament. We guarantee 4 games and if a team fails to uphold their contract, then it places the tournament and other teams in a situation that they may not be able to play their four games
