

"Don't let anyone look down on you because you are young, but set an example for believers in speech, in life, in love, in faith and purity." 1 Timothy 4:12

We are so excited for our upcoming season! We would love to have you come out and see what girls' tennis is all about at Ontario Christian. It is important to keep up your skills and stay in shape during the off-season. Therefore, we have a number of dates set aside this summer for those interested in hitting around or who simply want to see what our team is all about. Be ready to learn some basics, drill, condition, and get to know some new friends! Please come with a tennis racquet, shorts/skirt, a water bottle and court shoes. These sessions will be an excellent way to prepare for the start of our season in August.
