

Scrip fundraiser = free \$\$\$ for YOU

Scrip is a great fund-raiser for OC and your opportunity to receive a tuition rebate toward your child's education. There are 2 ways to participate

1. Pre-purchased Scrip is "substitute money"

You receive a gift card or certificate for the full face value (you pay \$25, you get \$25) from over 100 local grocery stores, restaurants, specialty and warehouse stores, travel, entertainment and gas. Please see the attached order form for all participating vendors. Scrip is used just like cash. The vendors give OC and YOU (tuition rebate) a percentage of every purchase made with scrip.

2. Electronic Scrip:

Sign up your club cards to earn hassle-free money for OC and a tuition rebate for you (see below).

Scrip Schedule:

Scrip is available Tuesday from 8:00 - 10:00 AM in the high school lobby and Friday from 8:00 - 10:00 AM in the elementary school conference room. Orders dropped off or sent with students before 8:30 AM will be processed and returned by the end of the school day on Tuesday and Friday. Summer hours: Tuesday 8:00 - 10:00 AM at the high school. Scrip Policies:

1. There are no cash rebates.
2. You may pay with cash and/or check - no coin or credit cards, please.
3. All checks should be made payable to: OCPA Scrip and will be deposited the same day purchased.
4. All payments for Scrip must be for the exact amount, as there is no change made/given at the Scrip table.
5. Exchange policy: Scrip may be exchanged only, not returned for cash. Verification of balance will be made before Scrip will be exchanged. There are a few cards that cannot be verified, therefore we are not able to exchange them (i.e. Family Christian, Home Depot, Smart & Final, etc.). They must have a balance verification phone # or web site on the back of the card.
6. There will be a \$20 charge for all bounced checks. Any account with 2 returned checks will then be put on a cash only basis.
7. If your TOTAL rebate earned for the year is \$10.00 or less, no rebate notification will be mailed. Rebates less than \$5.00 will be applied only if purchaser contacts the business office.
8. The "Rebate Formula" is 45% to OCPA, 45% to the Families (tuition rebate) and 10% to run the program.
9. Pre-school students can earn a tuition "pre-bate," storing up rebate credit in an account to be used when the child enters Kindergarten.
