

Ontario Christian Boosters Club Athletic Program 2008 – 2009

The OC Boosters Club is working on the fall athletic program and we are looking for new sponsors. If you are not familiar with the Boosters Club, we are a group of people who meet once a month in support of OC athletics. In the last few years we have fixed up the football stadium, boys baseball field, weight room, remodeled the gym, and built dugouts for the softball field. Our fundraisers are the annual Labor Day Pancake Breakfast, a Golf tournament in May and the athletic programs for fall and winter sports. Our program is very well received and continues to help the club with projects to improve our facilities and sports programs. This year we plan to publish a spring edition that will include track, baseball, girls' softball, and boys' volleyball.
